It has come to the office's attention that Cook County Sheriff's Deputy Samuel J. Spino has been charged federally with Theft. MIS is conducting a search of CRIMES to determine whether Deputy Spino is a witness on any pending felony cases. Once I have the results of that search, I will forward the results to you. If your unit does not have a computer case management system, please have your ASAs check their files and see whether they have any cases on their call where Deputy Spino is a witness on a pending case. If he is a witness on the case please determine whether the case can be proved without calling him as a witness. If the case cannot be proved without calling him as a witness, please nolle the case. If the case can be proved without Deputy Spino's testimony you should proceed on the case.

If you have a case where we cannot proceed without Spino's testimony and the case is a violent crime, involves death or serious bodily injury, or is a case where you or your ASAs feel that the case should go forward please contact Fabio or me prior to taking any action. Also, please have your ASAs keep track of how many of Deputy Spino's cases they have and how many of those cases were dismissed.

If you or your ASAs have any questions, please call me. Thank you.
